Want a little extra assurance that the “Fast Track Pack” is the best investment you can make when starting your Career or Business?

HERE ARE SOME QUICK FACTS !

HOW CAN YOU SAVE MONEY BY ENROLING IN THE FAST TRACK PACK

- ✓ If you are planning on starting a career or business in the Health & Fitness Industry you first need to fully understand the process of securing paying clients. Don't spend money on detailed business plans, strategies or paid advertising and marketing campaigns until you have proven that you can secure your first dozen paying clients. **12 clients paying for only one session a week will generate over \$30,000.00 per annum in income for you.**
- ✓ The “FAST TRACK PACK” Success Program is a business or income expense, so once you are established, **the cost of the program can be a tax write off**, as can the ongoing optional TEAM ONTOP program!
- ✓ “FAST TRACK PACK” Success Program members save hundreds if not thousands in the cost of preparing the high converting offers we give you and **the priceless consultation discovery questionnaire is also yours to keep.**
- ✓ “FAST TRACK PACK” Success Program members **save thousands on their start up!** Why? Because based on decades of experience we know what to spend money on, what to save on, and all the tricks of the trade when it comes to things like business and career planning, negotiating gym rental agreements and lots more of the good stuff.

HOW CAN YOU SAVE TIME BY ENROLING IN THE FAST TRACK PACK

- ✓ It may seem like taking an online course takes up too much precious time, however we promise you, it will save you 100x more time than it takes up! The offer stack with 5 complete high converting offers, the complete consultation process, & the booking consults that turn up tool kit alone will **save each person on average over 100 hours**, (and that's just a small part of what's included in the program)
- ✓ It almost always takes YEARS to find success and profitability in this industry when starting out on your own. Why? All new Health & Fitness Industry Graduates and Business Owners typically make the same mistakes and go through the same learning experiences. So why not skip all that? We are here to help you **ACCELERATE your path to success**, so you don't have to go through the months or years of struggle and hardship. "THIS CAREER OR BUSINESS OF YOURS SHOULD BE FUN and emotionally rewarding! Not frustrating and draining!
- ✓ Can you guess what takes the most time when starting out as a Personal Trainer or Health Industry Professional?.... SECURING PAYING CLIENTS! Inside the "Fast Track Pack" Success Program **we give you all the systems, resources and processes necessary** to find and secure paying clients NO GUESS WORK and no time wasted trying to work it all out yourself.
- ✓ Can you guess what else new Personal Trainers and Business Owners wish they could save time on? "Consultations that do not turn up"... Inside the program you will find a complete toolkit that contains **every text, email and voice script for you to download** along with the exact steps needed to book consultations THAT ACTUALLY TURN UP. This alone will save you countless wasted hours.

FAST TRACK PACK QUICK FACTS

● What If I Am Not Located In Australia?

That's OK! We have had many international members and they have been very pleasantly surprised by how relevant the content is to them (as long as you can read and write in English!).

NOTE: There are 2 minor considerations:

- 1) the exchange rate will vary, which will affect profit forecasts
- 2) insurance & tax guidelines, terms and conditions may vary.

Those two considerations account for a small amount of the programs content (less than 1%) and will not affect your learning outcome.

● What's The Refund Policy?

We offer a 100% MONEY BACK GUARANTEE.

We stand by our education and our passion for your success, because we know if you follow the program's system YOU WILL SUCCEED!

If you follow the program and you do not recover your investment in the program you can request a full refund.
